# Understanding you

Managing a business, large or small, takes a rare and precise combination of intellectual and emotional intelligence, industry and business expertise as well as life experience. You have the ability to inspire, persuade, decide and act. Your career has allowed you to develop your own unique leadership style and we want to match you to an opportunity that allows you to continue to do that.

## Your Role

- Chief Executive Officer
- Chief Financial Officer
- Managing Director
- General Manager
- Operations Manager
- Business Manager

“Leadership can be thought of as a capacity to define oneself to others in a way that clarifies and expands a vision of the future.”

~Edwin H. Friedman

## Connecting you

We partner with firms who are looking for real people with the talent they need. Companies who display innovation and vision and understand the complexities involved in leadership development.

Waterford Executive will connect you with companies who are looking for a leader with the critical skills for success, tacit knowledge, industry and business expertise as well as a style of management that aligns professional aims with business.

“The only source of knowledge is experience.”

~Albert Einstein

## Equipping you

We know the business of Executive Recruitment. We know our clients, and that what you possess translates into the critical talent they have been searching for.

Our approach, as advocate and trusted representative, will ensure you have access to the tools and networks to engage in strategic discussions that go beyond past performance and once there, support you in managing your negotiations and transition.

“By failing to prepare you are preparing to fail.”

~Benjamin Franklin
