We are proud to be a boutique agency offering a premium service, targeting excellence in the marketplace, and pride ourselves on open and honest communication with you at all times.

Integrity. Flexibility. Responsiveness.

Understanding YOU

Understanding you, your qualifications and your unique skill set comes naturally to our consultants who all have a tertiary level background and direct experience in the fields in which they partner with you.

Your Qualification

- Arts
- Business
- Commerce
- Economics
- Information Technology
- Science

Your Industry

- Accounting
- Banking & Finance
- Human Resources
- Information Technology
- Insurance & Superannuation
- Sales & Marketing

“The secret to your success?
Combining **what** you know,
with **who** we know.”

Training you

Training you for your upcoming transition using our Qualified Workplace Assessor and Trainer with seventeen years of experience, whose passion and focus is on development and delivering workforce readiness programs for graduate students at Victoria’s leading tertiary institutions.

- Time Management
- Behavioural Interviewing Techniques
- Customer Service and Communication
- Projecting and protecting image and brand
- CV Writing
- Conflict Resolution
- Workplace Safety

Preparing you

Preparing you for your interviews and managing your transition. We know our clients and the talent they are searching for. We will ensure you go to your interview feeling confident and supported.

- Behavioural interview techniques
- Presentation delivery
- Salary and package negotiation

Connecting you

Connecting you to firms in the marketplace who aren’t just looking for letters after your name, but real people with the talent they need. Companies who are looking for your combination of critical skills, tacit knowledge and work ethic.

Connect with one of our dedicated consultants today to see how we can support you in reaching your professional goals.
